ELEVATE AND IMPROVE OUTCOMES

for individuals, families and
professionals in the
treatment community.

COMMITMENT

Building on our legacy as the **No. 1 resource for over 20,000 treatment professionals**, we have relaunched and revitalized Treatment Magazine and we are expanding our editorial reach to provide essential information and support to individuals struggling with alcohol and substance abuse and their loved ones.

We provide impartial and authoritative journalism, treatment resources, community support, and stories of hope.

Treatment Magazine: All individuals, their families and loved ones seeking substance abuse information, support and resources; addiction clinicians; and treatment center executives and managers.

Treatment Magazine is committed to:

#1 being our industry's trusted, forward-looking and expert source of impartial addiction and treatment information for all.

Treatment Magazine now offers:

new columnists, long-form **features**,

- ▶ an essential 7,000-word
- ▶ **Find a Treatment Center guide**,
- ▶ **inspiring Stories of Hope** section crowdsourced from our community.

+ our national **Find a Treatment Center** tool powered by respected social-care network findhelp.org—for all audiences in the treatment community.

LEGACY REACH & DISTRIBUTION

In addition to our legacy readership of addiction and treatment center leaders and clinicians, Treatment Magazine now serves **all individuals in the treatment community.**

We have retained much of our legacy base and are building it daily through our social channels including Facebook, Twitter and LinkedIn.

These channels currently reach our more than
**20,000
followers**
on a daily basis.

In the summer of 2020, we **rebranded and relaunched to our newly expanded audience** with all new content offerings, expert columnists, and essential treatment discovery resources.

We are a **digital-first brand to maximize our reach** and segmentation opportunities to inform and inspire our audiences.

AUDIENCE OPPORTUNITY

Treatment Magazine is a **leading strategic advertising partner** for addiction treatment centers, insurance companies, technology corporations and telehealth providers, pharmaceutical companies and many respected brands and services seeking to reach our **engaged audience**.

Treatment Magazine Editorial Highlights

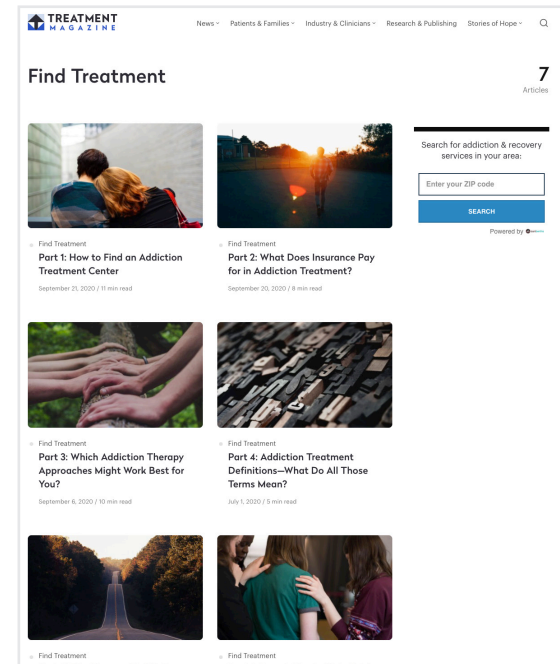

The widely read and influential **Treatment Magazine** was founded in 2004 and quickly became the **No. 1 industry trade magazine**, going out in print form to an elite readership of **20,000** executives and decision makers at U.S. treatment centers and facilities. Its related newsletter went out to a database of over **20,000** subscribers.

Treatment Magazine currently has an audience of over **50,000** visitors per month, and growing! In addition, we have **partnerships with some of the most influential and trusted organizations** in the industry and our content is shared across their platforms.

This ultimate resource guide is just one of the many resources available to our readers and represents our commitment to offering support, how-to information and helping improve outcomes.

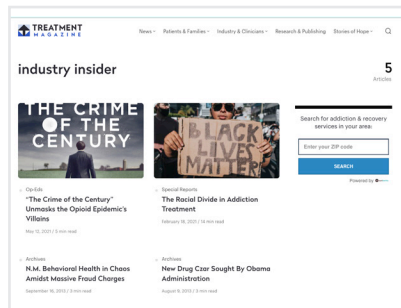

- **From the Journals** — an accessible expert weekly roundup of the latest developments, studies and research from the leading peer-reviewed addiction, medicine and treatment journals, to help keep industry professionals and everyone in the treatment community in the know. Publishes 4x a month, weekly.

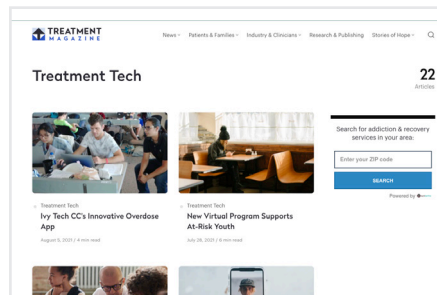

- **How to Find a Treatment Center Guide** — This essential, 6-part how-to series clocking in at more than 7,000 words guides individuals and families new to treatment through the often-complex process of how to get started seeking help. Accessible and supportive, the series' topics include: how insurance works, what type of center and which treatment therapy approaches are right for you, expert insights—plus a useful assessment to help you get started on a new treatment center search.
